

SONG IDEAS FOR PRAYER NIGHTS

This is meant to be a helpful guide for you and your worship team as you consider what songs to do at your Prayer Night. Our hope is that you would experience a move of God in your city, and that the expression of worship at your Prayer Night would help in facilitating encounters with the Holy Spirit. Feel free to utilise this guide as little or as much as you would like, allowing the Holy Spirit to influence the worship as you cultivate a space for prayer, unity, and encounter.
